# AFRICA MISSIONS News

From Ron & Rina Kinnear

March 2015

For the last 3 years, I have felt compelled by the Lord to go into **South Sudan** and 2015 is the year for this birthing!

I was pregnant for Rwanda for 3 years, too, and we entered there in 2006 and now have established a base there with a thriving Bible college. Now the Lord is calling me to strengthen the church of Jesus in South Sudan.

South Sudan, the world's newest nation, has been war-torn, before and after its birth, and is in need of a peaceful environment to flourish and live. Africa Missions is coming to present the Prince of Peace—Jesus Christ—to South Sudan to uplift the pastors by training leaders in personal evangelism to expand the Church of Jesus!

**This month—March 2015—Africa Missions is launching our *South Sudan Call* initiative, empowering local churches to grow themselves in three strategic areas:** Aweill, Juba, and Malakal. The training to be offered in Aweill is funded. We have promises for the funding of the Juba training course and we are trusting the Lord to provide for the training of ministers in Malakal.

Each of the 12 Evangelism Training Clinics will cost a minimum of \$4,000. That amount trains 50 to 75 pastors. In the next 3.5 years we want to train 750 pastors, each pastor will cost \$200 to train.

**The Plan with Proven Results**—We have used this plan with amazing results of over 83,562 church-nurtured, new converts in the last seven years. The total cost for our 3.5 year South Sudan project is \$150,000. Each of the following steps will take place in the three different areas mentioned earlier. (See more on South Sudan on page 3.)

We are launching into South Sudan in three strategic areas: Juba, Aweill, and Malakal to empower local churches to grow themselves through evangelism training.

Our goal is to spread the Gospel in Africa by **empowering the local church to grow itself**

Our objectives over the next 3.5 years in South Sudan are to present **12 Evangelism Training Clinics** that would **train 750 pastors**, bearing the fruit of **30,000 people coming to Christ**, which would lead to **500 churches being planted!** This would lead to a more peaceful and productive land where peace could finally begin to reign in the land.

## International Ministers Fellowship Conference

IMF officers and speakers: Peter Motshitela, Chris Akaolisa, Ron and Rina Kinnear, Steve Swartz, Pearl Kupe, George Akalonu, Thabo and Xoli Motau, and Noma Msipa.

The IMF conference was a rich time of ministry and fellowship! What a blessing to join with other ministers from across the world to be encouraged and uplifted with great preaching, fellowship, and prayer together. They greatly responded to our news of going into South Sudan and had a special time of prayer and dedication for this.

## Teams visiting the Field—Rwanda & Uganda

We traveled to Rwanda to visit our team and Bible College there in Kilgali. Judy Bauer, the founder and director of KAM—Kingdom Advancement Ministries—came from the USA to teach KAM training in South Africa, Rwanda, and Uganda. Toerien and Judy van Niekerk of South Africa came and he was the graduation speaker in Rwanda. Gottfried Shittek and Pister Nortje from Germany joined us for training in Moslem evangelism. We were thrilled to be transported by our new, to us, Land Rover!
